“O give thanks unto the LORD; call upon his name: Make known his deeds among the people.” Psalm 105:1

Greetings, friends and family. I'm excited to share a few updates from here in Calgary, where God continues to bless our church in wonderful ways. In October, God brought both growth and new opportunities, and it's been wonderful to watch Him continue to bless and build our church family. I can never thank you enough for being part of this journey! As I've said before, your prayers and support are vital to what God is doing here in Calgary.

This past month, we moved into a larger auditorium. As part of what we're calling the "FaithWay Growth Experience," we have outgrown our location once again. This time, however, we have moved into a larger auditorium instead of relocating to a new building. Our new space seats 117—up from our previous 84—and each Sunday, we're seeing an average attendance of nearly 70 people. It's a blessing to have room for everyone and to see new faces each week. We're grateful for God's provision in opening this space for us at no extra cost. A few of us are already scoping out Auditorium 9, which has 184 seats—if it won't be long if God continues to grow us!

Another huge blessing this month was witnessing five people follow the Lord in Believer's Baptism—Praise the Lord! And we had our first person come forward during an altar call to accept Christ, a special moment for all of us. Do it again, Lord!!

Prayer Requests

Building Saving Fund: As our ministry continues to grow, we are thankful to be expanding in our current rental locations. However, as we search for our own space, we face high lease amounts ranging from \$18,000 to \$24,000 per month, largely because many companies do not want to rent to a church. By God's grace, we're managing our current space at nearly \$6,000 per month.

Because of these challenges, we are restructuring our building fund. A couple of our supporting churches have come alongside us in faith, providing enough additional support to cover our current rent. As our tithes and offerings increase, we notify them to reduce the amount of support. We are praying and hoping for the opportunity to purchase our own building in the future. From now on, any additional Building funds given will be earmarked and saved for this purpose. Thank you and God Bless!

the gospel across the world in obedience to the Great Commission! I am blessed to share that our church responded in a mighty way—becoming a church with a heart for missions, committed to getting the gospel out both locally and globally.

October marked our second Canadian Thanksgiving, and our church celebrated by thanking God for all He's been doing in our lives and through FaithWay. And, as any good Baptist would do, we celebrated with a huge potluck! *"Where Baptists meet... Baptists eat!"*

All kidding aside, we also want to share some exciting updates from our growing youth and family ministries. This month, we held our first youth outing at Laser City and a "FaithWay Fall Family Friday" at Calgary Farm. Both events were a success, bringing in many new visitors and allowing us to connect with others and share the gospel in a welcoming setting.

As we move into Missions Month, please keep us in your prayers. Your support means so much, and we're excited to see how God will continue to use you and our church for His glory. Thank you for walking with us on this journey. God Bless!!
